Eleventh Annual Junior Collegiate Team Championship

November 24, 2006

The Fifth Chair Foundation, in conjunction with OKBridge (www.okbridge.com) is proud to announce that the eleventh annual Junior Collegiate Team Championship is to be held on the weekend of February 3, 2007! This annual event pits college and university bridge teams from around the world in online competition and is the premier online bridge event of its class.

The annual championship is sanctioned by the American Contract Bridge League (www.acbl.org) and masterpoints are awarded for the event. [OKbridge](http://www.okbridge.com), the Internet's oldest and largest online bridge club, provides free, temporary player accounts for all team members. Fifth Chair, a non-profit organization dedicated to fostering online bridge education, provides hosts for each participating team to help team members become familiar with the OKbridge program, if needed. There is no registration or participation fee for this event!
